Unstop Campus Champions: Trial Tasks | October 2026

Your journey to becoming an Unstop Campus Champion starts here! 🚀

Complete these 2 trial tasks to qualify for the Unstop Campus Champions Program. Through these tasks, Unstop wants to make sure that only the relevant and truly deserving candidates are selected as Champions. **This is your chance to show us your creativity, your hustle and your ability to bring people together.**

No shortcuts and no gatekeeping. If you have the energy, the ideas and the drive to make things happen on your campus, this is your moment to prove it. Give it your best shot! 💪

🎯 Trial Task 1: Create Promotional Content on LinkedIn for the Google Skills Event

Event Link: https://unstop.com/o/NswdUF0/?ref=socqKx0X

What you need to do:

1. **Register yourself** for the Google Skills event on Unstop using the link above.
2. **Participate in the event.** We want Champions who have experienced it first-hand, because that is what makes your content real.
3. **Create and publish a LinkedIn post** promoting the event from your own profile. **(Note: You don't need to complete the Program 100% in order to promote. You can just register and create a promotional LinkedIn post immediately after just registering)**

Make your post stand out:

- **Add your own voice.** Don't copy-paste the event description. Tell us why this event matters to students and early professionals.
- **Share your experience.** What did you learn or like after registering and participating? What excites you the most?
- **Pick your angle.** Your post can be informative, relatable, opinion-based or funny. Choose whatever feels like you.
- **Use creatives.** Take your image theme from the event page, or design your own. Add the Unstop logo to every creative you use.
- **Add a call to action.** Tell your network exactly why they should register and by when.
- **Add the event link** in your post: https://unstop.com/o/NswdUF0/?ref=socqKx0X
- **Tag the official handles** of Unstop and Google.
- **Keep your post public** so it can be verified.

💡 *The more authentic it sounds, the further it travels. Followers don't matter, but ideas do.*

Due Date of Submission: 18th October

Submit proof here: https://forms.gle/xKHSFXJUw2xHcTkr6
(Submit only the link to your LinkedIn post, and nothing else.)

🎯 Trial Task 2: Drive Registrations to the Get Unstoppable on LinkedIn Event

Event Link: https://unstop.com/o/zuyoLfl/?ref=socqPOo5

What you need to do:

1. **Register yourself** for the Get Unstoppable on LinkedIn event.
2. **Create your unique referral link** 👉 Click here to learn how
3. **Drive registrations** to the event through your referral link, using your campus groups, WhatsApp communities, friends, classmates, LinkedIn network and social media.

🏆 **The Goal:** Students who bring **50+ registrations** through their referral link will be considered valid for the Campus Champions Program.

Every registration counts, so start early and keep sharing.

Due Date of Submission: 30th October

Submit proof here: https://forms.gle/KTjM2nG3JhJtoDPG9
(submit your Unstop registered Email ID and name as proof and we'll verify your registrations)

✅ Quick Checklist Before You Submit-

- *I have registered for both events.*
- *My LinkedIn post for Task 1 is public and the link opens in incognito mode too.*
- *My post has the event link, the creative with the Unstop logo and the official tags.*
- *I have used my own referral link for Task 2.*
- *I am submitting only the required links or proof, nothing extra.*

📅 What Happens Next?

After submitting both tasks, wait for the results, which will be announced on **10th November**. Students selected as Campus Champions will be reached out directly.

Important Guidelines

- Focus on creating authentic and engaging content rather than chasing views or likes.
- The details of these trial tasks are not to be shared anywhere.
- Submit both tasks before their respective deadlines. Late submissions will not be considered.

The Champions Program is for those who show up. Be the one who does. All the best! 🔥

🔍 If you have any doubts, drop your doubts to raghav@unstop.com with the Email Subject ***“Trial Task Query”.*** Your query will be resolved within 48-72 hours.
